## Party Pictures: Galileo The Medici & The Age of Astronomy at The Franklin Institute

Thu April 2, 2009

On Thursday, April 2, 2009, The Franklin Institute celebrated the 400th Anniversary of Galileo's Astronomical Discoveries. Guests enjoyed a buffet dinner and had the chance to see Galileo's original telescope and visit with special guest professor Paolo Galluzzi, Director of the Istituto e Museo di Storia della Scienza. Photography by Jeff Fusco.
