**MOTHER AND CHILD HEART HEALTH DAY
PULSES THROUGH TFI ON SATURDAY, MAY 12TH**

WHAT: Celebrate Mother's Day the healthy way at TFI! **Mother and Child Heart Health Day** is full of heart-healthy activities that both parents and children can enjoy!

- Get your toes tapping to the music of the **Greater Philadelphia Suzuki Association**
- Make-n-Take your own **stethoscope**
- Exercise with the pros from **Philadelphia Sports Club**
- Travel through the **Giant Heart exhibit**
- Get the skinny on a healthy heart from the **American Heart Association** and the **Heart Health Awareness Foundation**

WHEN: **Saturday, May 12th**
11AM – 3PM

WHERE: **The Franklin Institute**
Key Hallway, 2nd Floor (next to the Giant Heart)
20th Street and the Benjamin Franklin Parkway

DETAILS: Mother and Child Heart Health Day is an annual event at The Franklin Institute spotlighting our signature exhibit The Giant Heart: A Healthy Interactive Experience. Mother and Child Heart Health Day is included in museum admission.
