The Franklin Institute's Party Packages

are available Saturdays and Sundays with room times at 12 and 3 PM. Parties will be customized to your child's science interest through one of our special themed activities or designed to complement one of our special traveling exhibitions. Children ages 4-11 are perfect for our parties, but we are happy to celebrate with younger and older children as well. Please note that activities may not always be appropriate for these children.

Visit: www.fi.edu/Birthday to find out more.

All Party Packages Include:

- General admission (not including traveling exhibits)
- ½ hour set up time for party family
- Exclusive party room for 1 hour
- Tablecloths and a dozen balloons
- Personal party assistant for 3 hours
- A film at the Tuttleman IMAX or Franklin (3D) Theater, or a Fels Planetarium show with a special welcome
- Themed exhibit scavenger hunt
- Make-and-take science activity for each child

Birthdays ROCK!

Themed Science Activities

Select the activity that your child will most enjoy.

- Alka Rockets—Make your birthday a blast with this easy and awesome rocket activity.
- Snot—Your body makes a new batch every 20 minutes. Now make some to take home!
- Stunt Planes—They dip and dive and show off the cool forces of flight.
- Color Mixing Spinners—Build a cool spinner and experiment with color mixing.

Special Options:

Our signature **liquid nitrogen ice cream** is made with fresh ingredients and dramatically chilled right before your eyes with super cold liquid nitrogen. It's a sweet treat and science demonstration wrapped into one! Toppings provided. Additional fee \$3 per person.

Older children may enjoy our **SkyBike** and/or **Flight Simulators**. Additional fees; pay onsite. Height restrictions apply.

Food

The party package does NOT include food, but you may bring your own food and cake into the party room. Complete party packages may also be pre-ordered from our in-house caterer, starting at \$7 per person.
